I am a motivated and detail-oriented Digital Marketing Fresher with a Diploma in Computer Science and Engineering. I have recently completed my 4th year of Diploma and also completed a 6-month short course in Digital Marketing. I have a strong interest in Social Media Marketing, Content Marketing, SEO, and online brand promotion. I am eager to apply my technical knowledge and digital marketing skills in a professional environment, contribute to company growth, and continuously develop my skills through practical experience.I am also interested in creating engaging content, managing social media platforms, and improving online brand visibility. I am looking for an opportunity to start my professional career where I can gain practical experience, utilize my skills, and grow with the organization.
